## Halloween, Paganism, and the Bible

**Hodge**—Throughout the United States, Halloween, along with its variants across the world, has become one of the most popular unofficial “holidays.”

Department store lines are filled with people buying candy, costumes, and decorations. But what does Halloween actually celebrate? Bodie Hodge addresses the origin and purpose of Halloween, while showing its roots in Paganism dating back to times before Christ and potentially prior to the dispersion at the Tower of Babel. Answers in Genesis, 1 DVD, 61 min.

## The Seduction of Christianity

**Hunt/McMahon**—The Bible clearly states that a great apostasy must occur before Christ’s second coming. Today, Christians are being deceived by a worldview more subtle and seductive than any before. The seduction of Christianity will not appear as a frontal assault or oppression of our religious beliefs. Instead, it will come as the latest fashionable philosophies offering to make us happier, healthier, better educated, and even more spiritual. A compelling look at the times in which we live and a clear call to every believer to choose between the original and the counterfeit. The Berean Call, 239 pp.

## The Seduction of Christianity - Audiobook

**Hunt/McMahon**—The classic that first sounded the alarm of false teaching in the church is now an exclusive audiobook! This special production is brought to life by co-author T. A. McMahon and was recorded in the radio and video production studios of The Berean Call. Thousands have heralded the warnings of this book as prophetic—using examples that could just as easily be drawn from the pages and airwaves of today’s Christian media. The Bible clearly states that a great Apostasy must occur before Christ’s second coming—and as readers and listeners will discover, Christians today are being deceived by a “new world order” more subtle and more seductive than anything mankind has yet experienced.

**TBC**—At TBC’s 2011 Bible Conference, T. A. McMahon spoke about the increasing signs that point to a pending clash between those Christians who will conform to the world by compromising biblical teachings and those who remain steadfast in the faith. What will be the result of this conflict when the world and the “church” unite to stop the true Word of God from going out? In this DVD presentation, Tom explores a number of pertinent Bible passages concerning this alarming trend. 1 DVD, 50 min.

## Beyond Seduction - A Return to Biblical Christianity

**TBC**—Eight video programs on 4 DVDs. This digitally remastered footage features Dave Hunt addressing concerns from his best-selling book, *Beyond Seduction*. A sudden and unexpected revolution has begun. Some have hailed this revolution as a much-needed purification of the church, while others are saying that it will lead to a major schism in Christianity unless the church comes face-to-face with an undeniable truth: *We must be certain that what we believe is firmly based upon the clear teaching of God’s Word alone.* The only real remedy for deception and apostasy is a return to a true biblical foundation for Christian living. In *Beyond Seduction*, Dave Hunt thoroughly explores the biblical and historical view of Christian teachings within the church. 4 DVDs, 8 hrs.

**TBC**—Discover how to understand and explain biblical baptism and regeneration!

For centuries before the Reformation, baptismal regeneration was rejected by Bible-believing Christians, whom the Roman Catholic Church therefore persecuted, tortured, and slaughtered by the millions. But when Paul reminded the Corinthians of the essential ingredients of the gospel that he preached and by which they had been saved, he made no mention of baptism (1 Corinthians 15:1-4). **Biblically Thinking about—Psychology**

**TBC**—Has evangelical religion sold its birthright for a mess of psychological potage? Psychology has usurped the place of

the spiritual, and even Christians look to psychotherapy rather than to sanctification as a means of dealing with soul problems. The Bible provides both a spiritual basis for mental-emotional health and a spiritual solution for non-organically caused mental-emotional disorders. Includes study guide and audio CD. **Biblically Thinking about—Fundamentals**

**TBC**—Whether the latest science agrees with the Bible or not is of no concern to a

fundamentalist. Because we trust in God, we are not intimidated by man. Only a fool would exchange God's infallible Word for the changeable and fallible opinions of men. Scientists make mistakes and are often ruled by prejudices. [But] tragically, diminishing numbers of those who call themselves Christians still stand for biblical inerrancy and sufficiency. We must believe the whole Bible. That is biblical fundamentalism. Includes study guide and audio CD. Booklet 46 pp., Study Guide 24 pp., and CD 78 min. *Price includes shipping in the USA!*

**Biblically Thinking about—Loving God**

**TBC**—To love God with our whole heart and our neighbors as ourselves is not something we can produce

by self-effort. Our love for God will not grow except from a deepening appreciation of His love for us—an appreciation that must include two extremes: 1) God's infinite greatness; and 2) our sinful, wretched unworthiness. That He, who is so high and holy, would stoop so low to redeem unworthy sinners supremely reveals and demonstrates His love. Includes study guide and *I Love the Lord* DVD. **Biblically Thinking about—Calvinism**

**TBC**—As Dave Hunt notes, "Because of [Calvinists'] peculiar belief in predestination of a certain nature, of irresistible grace, and so forth, God has predestined some to go to heaven and predestined others to go to hell—therefore it can't be for 'whosoever.' Calvinists believe in limited atonement—that Christ did not die for all. Therefore, they have to change 'world' to 'elect.' 'Whosoever' must be whosoever of the elect. John 3:17 tells us, 'For God sent not his Son into the world to condemn the world; but that the world through him might be saved.' On and on it goes, with many similar verses." Includes study guide and audio CD. Booklet 34 pp., Study Guide 13 pp., and CD 78 min. *Price includes shipping in the USA!*

**Biblically Thinking about—The Trinity**

**TBC**—Just because someone doesn't understand all that the Bible says about the Trinity doesn't mean

that he is unable to believe the true gospel and be saved. However, when one's ignorance of the Godhead turns into a rejection of what the Scriptures teach about the Father, Son, and Holy Spirit, that becomes a belief in a false god and consequently another gospel that can save no one. Includes study guide and audio CD. Booklet 38 pp., Study Guide 17 pp., and CD 40 min. *Price includes shipping in the USA!*

**BBSET12**

wt .3 \$7.00

**Biblically Thinking about—Creation**

**TBC**—One of the common false ideas among many people is that those who reject evolution are rejecting science, which would

include Bible-believing Christians. That makes addressing creation vs. evolution a very worthwhile endeavor. It's not a matter of defending a Christian's intelligence but rather challenging the myth that evolution is science. Evolution is a philosophy, a way of thinking about the universe and how it was formed. Although posing as a scientific study, it is, in fact, scientism, a speculative ideology (read "religion") that cannot be verified or falsified by true science. Includes study guide and audio CD. Booklet 42 pp., Study Guide 20 pp., and CD 78 min. *Price includes shipping in the USA!*

**BBSET16**

**Biblically Thinking about—Mormonism**

**TBC**—Joseph Smith declared: "I told the brethren that the Book of Mormon was the most correct of any book on earth, and the

keystone of our religion..." But is the Book of Mormon "the most correct" book on earth? The veracity of that statement is critical to the faith of millions of people. Includes study guide and audio CD. Booklet 34 pp., Study Guide 17 pp., and CD 64 min. *Price includes shipping in the USA!*

**BBSET09**

**Biblically Thinking about—Jehovah's Witnesses**

**TBC**—JWs have been deceived into believing that their works are what Jehovah requires

for His forgiveness of their sins and their acceptance by Him. Jesus, however, set straight those who had the same belief: "Then said they unto him, What shall we do, that we might work the works of God? Jesus answered and said unto them, This is the work of God, that ye believe on him whom he hath sent" (John 6:28-29). Only Jesus, as God and Man, could (and did!) pay the penalty for the sins of mankind. Includes study guide and audio CD. DAILY READINGS: Gen. 4-5; Job 6-7; Matt. 4

As they were burying a man...they cast the man into the sepulchre of Elisha; and when the man was let down, and touched the bones of Elisha, he revived, and stood up on his feet. 2 Kings 13:21

Here from Elisha's grave a light shines forth like the afterglow of the

government shall be upon His shoulder: and His name shall be called Wonderful, Counsellor, The mighty God, The everlasting Father, The Prince of Peace. Isaiah 9:6

What a delightful title is given to Christ—the mighty God. The baby of Bethlehem is called the mighty God. What mystery, as the Creator enters His creation. His unique birth has affected this world as no other birth. He has changed the course of history. It is His story. His sinless life challenged all who knew Him. His atoning death has changed the lives of millions and His glorious resurrection convinces us that He is none other than the Mighty God. "O come, let us adore Him."

**Six Days: The Age of the Earth and the Decline of the Church**

**Ham**—The biggest mistake pastors make is compromising the gospel! Most pastors and Bible study leaders don't do it knowingly, but it's happening in nearly all denominations. This inspiring book reveals that if we are going to believe the Bible as the source for understanding salvation, we also have to believe and trust what it says about *why* we need salvation (the origin of sin). The reason we need Jesus, and the first promise of our future salvation and restoration in Him, comes early in Genesis. Ken Ham examines how compromise beginning in Genesis, particularly in regard to the six days of creation and the earth's age, has filtered down from professors to pastors—and finally to parents and their children. **Mackenzie**—What would you do if you needed some money? Would you pick some off a tree in the garden? Of course you wouldn't—because money doesn't grow on trees. You have to work for it. Sometimes you have to work hard. George Müller didn't like to work and tried to get his money in other ways. He would cheat and steal and was eventually thrown in prison. Find out how God changed George from a thief to someone even children could trust. Christian Focus Publications, Full-color, HB, 24 pp.
